_____ cm

My Measuring Notebook

Draw the thing, then write how long it was

What I measured:

How long:

Longer or shorter than my shoe?

What I measured:

How long:

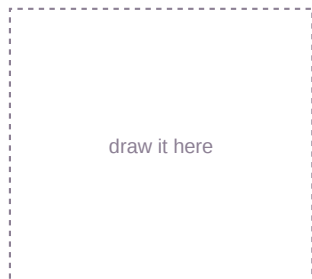

Longer or shorter than my shoe?

What I measured:

How long:

Longer or shorter than my shoe?

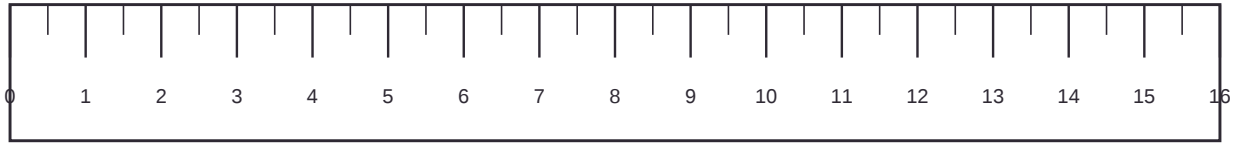

What I measured:

How long:

Longer or shorter than my shoe?

Paper Ruler + Order It Strips

Cut the ruler out and tape it to a stick if you like

16 cm paper ruler - check it against a real ruler before you cut

Order these strips from shortest to longest
